STAR LETTER

I'VE GOT A WINNING WEDDING WARDROBE!

After finding out I had won your 'Win a Dress' competition earlier this year, I visited Broadbent's of

Middleton, in Manchester, to try on a fabulous range of Amanda Wyatt bridal gowns. I was so thrilled to actually find THE DRESS and I can't wait until I can show it off at my wedding next year!

My two bridesmaids, mum and fiancé's mum also came along and we chose the most amazing purple bridesmaid dresses too!

The shop itself is just fantastic - it has a massive selection of dresses and accessories and we were given the most wonderful dress-shopping experience by the staff. I would highly recommend any bride-to-be to pay a visit - I can't wait to go back there for my dress fittings!

Nicola Gilberthorpe, via email

Congratulations on finding your dress, Nicola! Now you've got your outfits sorted, get some hair inspiration from our expert advice on p204. We can't wait to see your finished look!

DRESSED TO IMPRESS

I loved your bridesmaids' special in the August 2010 issue. I'd been struggling to decide on the styles and colours for my three bridesmaids, but after seeing your A-list looks I've decided to go for a different style and colour for each girl. My friends get a gorgeous dress to suit them and I get three bright and beautiful bridesmaids - we're so excited to start shopping!

Kate, Shropshire
